

BAMBINO

1 December 2021

Dear Valued Member

SIZWE HOSMED MATERNITY BENEFIT

BAMBINO PROGRAMME

The journey of expecting a new baby, comes with an overwhelming sense of different emotions to expectant parents. The Sizwe Hosmed Bambino Programme is designed to assist expecting mom's and their partners to navigate through this exciting time with ease. The programme is packed with valuable resources, support, and benefits to assist mom and dad throughout their pregnancy.

Up until 30 November 2021, the Sizwe Medical Fund maternity programme was managed by Healthi Choices and unfortunately, Healthi Choices will be closing doors as of 30 November 2021. Effective 1 December, 3Sixty Health will take over the management of the Sizwe Hosmed Bambino Programme.

All members that are currently registered on the maternity program at Healthi Choices will be transferred to 3Sixty Health for further management and no new registration will be required.

The Scheme continues to offer rich maternity benefits for 2022 across all plans.
